

## Sidewalk Cafés and Marketing Displays

The City is reviewing permit fees, as well as the design for sidewalk cafés and marketing displays. This includes looking at the space required for walking and movement for persons with disabilities, and how this will impact existing café and marketing permit holders. Information presented at these consultations will build upon the recent "Framework for Harmonization" report that was considered by Committee. This report can be found online.

Join us at two public meetings to view information, speak with City staff and provide your feedback. The same information will be presented at both events.

### Meeting 1: Tuesday June 13: 2 to 4 p.m.

Location: Toronto City Hall, Committee Room 2  
100 Queen Street West

Meeting 1 will be live-streamed via the City of Toronto's *Get Involved* YouTube Channel

### Meeting 2: Tuesday June 20: 6:30 to 8:30 p.m.

Location: North York Civic Centre, Council Chambers  
5100 Yonge Street

If you are unable to attend, information will be posted online the day of the event. An online feedback form will also be provided for collecting opinions and comments.
